

2017 APPLICATION FOR THE NORTH WEST BUS ROUTE

Seat Bookings

As there are a limited number of bus seats available, we require families to book a seat for their child/ren. No child will be transported unless a completed Application has been received. Costs are \$4 each way (inc. GST); some family discounts apply. Seats will be confirmed accordingly and a bus charge added to your family’s school fee account on a term by term basis.

Preference will be given to younger students and families with siblings at both Campuses. If your child will be absent, please notify the School. If the absence is unexpected eg sick one morning, please **SMS the bus mobile: 0499 970 150**. If a seat is vacant for more than a week without sufficient explanation, the booking will lapse and your child’s seat allocation will be reallocated.
