Congratulations to our *Year 12 students* for the splendid Showcase evening recently. It’s an exciting event when performances and major works demonstrate the culmination of much persistence and, at times, angst over months. I know everyone enjoyed the presentations, particularly when able with interact with the students about their dramatic or musical pieces and to others about their design, artistic, technical or building projects. Special thanks to the staff who have supported the students every step of the way. Well done to all!

**NAPLAN** reports have been distributed to all families of Years 3, 5, 7 and 9 students. The marks reinforce our School’s significant influence on the academic growth of each student, especially as students benefit from effective learning programs over time. We encourage you to read your child’s NAPLAN report, in the light of what feedback has already been provided about your child’s academic performance and in conjunction with other assessment information and reports regularly provided from RJ staff. Assistance with how to read the report can be found on the NAP website: [www.nap.edu.au/results-and-reports/student-reports.html](http://www.nap.edu.au/results-and-reports/student-reports.html). We also encourage you to consult the My School website when 2015 information has been updated in order to contextualise RJ results in comparison with other schools in the area.

The story about the fortress walls around Jericho coming down at the sound of trumpets and loud shouting is, at first read, very astonishing. But, when you realise it happened because of God’s power through the obedience of the Israelites led by Joshua, this amazing story can start to be comprehended. Our youngest children, **Class KR**, through drama and song, wonderfully presented the Bible’s facts in Primary Assembly.

> “When the trumpets sounded and the people shouted the city of Jericho’s walls collapsed; so the Israelites charged in and devoted the city to the Lord.” (Joshua 6:20)

Why not take 5 minutes to read the whole account and see God’s mighty hand at work. The full story shows us that obedience to God’s directions is the best way to live.

**PRINCIPAL’S AWARD**

Congratulations to the following students who received Principal’s Awards at recent Assemblies:

- **Mark De Cruz** 1R
- **Zachary Kennedy** 7A
- **Alyssa Dahu** 1S
- **Brayden Tii Tii** 8R
- **Kaia Davison** 4J
- **Mark Gaolo** 8S
- **Kai Le Roux** 4J
- **Logan Gillon** 9S
- **Faith Kranendonk** 5J
- **Jahziel Bare** 10R
- **Peter Priestley** 5J
- **Imeleta Soseu** Y11
- **Emilie White** 5J
- **April Bare** Y12
- **Jaeden Aldana** 6R
- **Rebecca Kozman** Y12
- **Noah Scoble** 7J

The **new construction** project of Block F and adjacent Courtyard are still on track to be largely completed by the end of this term, under 4 weeks away. We are planning to move in on Friday afternoon 18 September, after the Year 12 Final Assembly and Guard of Honour, so that lessons in the new facility can commence on Day 1 Term 4. Obviously there will still be some finishing touches to take place during the fortnight break. Parents are welcome to come after School on the last day of this term to have a look – please wait in the new Courtyard prior to being invited in.

On Saturday 19 September the **first School building**, Block E, will begin being demolished. Then external works through this area and Pioneers Way will commence over the break. This area will be hoarded off until the end of the School year. The enormous changes will be unveiled in January next year. Finally, the last jigsaw piece – new playing fields with artificial turf – will be undertaken from December through to the end of Term 1 2016. The full transformation will then be complete. Please understand that there will continue to be short-term dislocations, but the final results will be worth it. We are indeed blessed to see the Masterplan coming to fruition. A total of over $1.7m will have been invested, to which the RJ Development Appeal will contribute (please keep donating so that we can install seating, supply necessary equipment / resources and landscape gardens) and a donation from the P and F Association will also assist.

The first building at our Marsden Park Campus has been finished and the adjacent external works are set to be completed before the upcoming **Launch Events** on Wednesday 9 and Saturday 12 September. Please refer to the information sheet enclosed in the RJ Review and join with us in prayer and action as we prepare for the establishment of this integrated educational setting – so very exciting!
School
RULES, OK!

STUDENT LEADERSHIP
Seventeen Year 11 students have put forward their names to be considered as Captains for 2015/16. All these students have interviews with the present Captains and Vice-Captains on Thursday 27 August.

A week or so later, a shortlist will be made known and the students on the shortlist will have a second round of interviews with the School Executive. The new Captains, Vice-Captains, Chapel Captain(s), Service Captain and House Captains will be made known at the Final Assembly of the Term on Friday 18 September.

Early next Term, other students from Year 10 and 11 will be asked to put their names forward to be selected as House Leaders.

STUDENT FORUM
The Student Forum continues to perform a valuable service to the School. At present, the Year 11 Student Forum members are leading four sub-committees and the students are looking at creative ways that we could use the limited playground space during Term One in 2016. Another sub-committee is looking at the Canteen and what suggestions can be made to improve this aspect of School life. The Uniform also gets its usual scrutiny from a sub-committee. The Forum also continues to look at ways in which students can be involved in working towards helping those less fortunate than themselves.

YOUNG WOMEN’S LEADERSHIP SEMINAR
Ester Gaolo and Yasmyn Lolis represented RJAS at the annual Year 11 Young Women’s Leadership Seminar on Thursday 20 August. They were able to meet with over 50 other Year 11 girls to discuss concepts and definitions of leadership and issues that might affect women in leadership roles. They were fortunate enough to meet female Members of Parliament. We look forward to them reporting back on their day at Assembly on Friday 4 September.

HAIR AND JEWELLERY
Despite very clear instructions in the School Rules and in the Diary, some students are still persisting in getting their hair cut contrary to the rules or getting piercing which are not allowed by the School. Parents and students must remember that it is your responsibility, not the hairdressers’, to have hair cut to the School’s standard.

Having piercings done contrary to the School Rules has the student run the risk of having to remove the jewellery, which could cause piercings to close etc. The rules are very clear and simple. Boys may only wear a watch and no other jewellery and girls may wear a watch, plain gold or silver stud / small sleeper earrings (one per earlobe) only (no other piercings) and plain signet style ring (one only). No necklaces or bangles are permitted.

Cyber
MATTERS

“You’ve only scraped the surface; here’s how to become a Google search super sleuth”

Everyone can “google” and I am sure that you and I use this feature of the Internet (or something very similar) almost every day of our lives. In fact, I even used Google to find information for this article.

Evan Dashevsky, writing in the PC Mag, gives 20 really good ideas on how to use Google more effectively. Most of us type a few words into Google, get 2 million suggestions, but only look at first 5 or 6. Dashevsky shows us how, if we learn how to type the correct words and or symbols in from the start, we can get a much more accurate and meaningful response. This can help us get the information we need quicker and more effectively than before.

Here are the headings of some of the very useful ideas in the article:

- Search Modifiers
- Search Qualifiers
- Get More Image Search in Your Image Search
- Retro-image Search
- Prune Your Very Detailed Search History
- Do Maths in Your Search Box
- Google Search Is a Master Convertor
- Google Is a Dictionary
- Search File Types
- Voice Search
- Google Knows What Time It Is
- Google Is a Meteorologist – It knows the Weather
- Search With Placeholders

For these and more useful tips please go to the search string below and read and learn.
http://www.pcmag.com/slideshow/story/326078/20-google-search-tips-you-need-to-learn

Happy searching.

Michael O’Hare
Deputy Principal

ATTENTION

The transition from white socks with thin light blue stripes to ones with navy stripes is happening this year due to manufacturer difficulties. From 2016 only white socks with navy stripes will be permitted.
Secondary
SEGMENTS

Year 12 students who undertake studies with practical components are well and truly in the midst of submitting those final pieces of work. The HSC Drama Group Project and Individual Performances were completed last Monday, and all work for Individual Projects was submitted on the same day. Visual Arts and Design and Technology students have completed their work, and Music will be finalised next Monday. The earliest person to complete the HSC course was Jamee Newland, who submitted her Extension 2 English Project on 14 August. Christian Cortes sat for his Oral exam in Spanish on Saturday at the University of Western Sydney.

Students are reminded that if they wish to be given a Reference from the School, they need to apply for this on the form in the Notes drive, outlining their achievements and awards. Likewise, a number of students have applied for the Schools Recommendation Scheme through UAC. This is a relatively new process and allows schools to make recommendations of students they believe will suit tertiary study, based on their application and achievement at school. Students will may receive early offers of University placement, depending on the course being applied for. This generally works well, although I would caution a student who receives an early offer, thinking they then don’t have to try in the HSC. This approach is never successful, and defeats the purpose of the scheme.

Some students were concerned with the news that to enter teaching, three Band 5s are required, including one in English. Students simply need to do their best in the exam. This requirement will not stop a student entering a teaching degree, but there will be some other requirements to meet along the way if the initial criteria has not been met.

On the matter of teaching, I have become aware that teach.nsw.edu.au is advertising teaching scholarships and applications close on 18 September. These scholarships would be bonded (required to teach in a State school for a period of time) but are a pathway that some students might consider.

Year 11 students have received their exam timetables with one correction to be made – Chemistry is only a 2 hour exam, not 3 hours! Students should make sure they arrive at least 10 minutes before the start of each exam, fully equipped. The letter giving permission for students to study away from School during this time will be distributed tomorrow.

Last Friday we had a wonderful Science Assembly, held to coincide with National Science Week. This year the focus was on sound and waves and Mr Robson and Mr Bunsell managed some very practical demonstrations to great effect. It is always quite compelling to observe and seek to understand how and why things happens. Our Science teachers do a great job in presenting to students the wonders of God’s universe!

Jenny Clay
Assistant Principal/Head of Secondary

Year 12 UAC & CAREERS

All Year 12 students should have now received a letter from the UAC with a pin number. Main round university applications are open until 30 September. If students miss this deadline the fee of $32 increases to $157 and continually progresses to $187. Students may change their preferences after this date with no additional charge. If they need assistance or guidance with their choices please email me or they can visit me in the Careers office during lunch time.

I have also received SRS (Schools Recommended Schemes), EAS (Educational Access Schemes) and Equity scholarship applications from the UAC. Please encourage your child to come and see me if they are interested or eligible for any of these schemes. You can find more information about these programs on the UAC website: http://www.uac.edu.au/srs/, http://www.uac.edu.au/eas/ and http://www.uac.edu.au/equity/.

Rachel Little
HSIE Teacher/Careers Advisor

Year 7
IMMUNISATION CLINIC

Western Sydney Health will be running their final School clinic for 2015 on Thursday 3 September. This clinic is only for Year 7 students, and will include vaccinations for their 3rd dose of HPV and Varicella (Chicken Pox). Please make sure your child has a good breakfast before School.
Matters of PRIMARY IMPORTANCE

ASSEMBLY
In Week 5, KR showed us how important it is to follow God’s instructions in their very cute Assembly Item. It has been such a joy to see our youngest students finally have their turn on the big stage for Assemblies this term. This week 3J will be presenting an Assembly Item, followed by 3R in Week 7. Parents are warmly welcome to attend Assemblies. Recent Award recipients are:

<table>
<thead>
<tr>
<th>Week</th>
<th>Lollipop Class Award</th>
<th>Ralph Library Award</th>
<th>RJ Listening Award</th>
<th>Mathletics Class Award</th>
</tr>
</thead>
<tbody>
<tr>

<td>2R</td>
</tr>
</tbody>
</table>

EXCURSIONS AND INCURSIONS
In Week 4, Kindergarten students enjoyed patting and holding chickens, ducks, cows, and goats when Kindi-farm visited RJ. This year the squealing piglet was a highlight.

FATHER’S DAY STALL
The wonderful helpers from the P&F will be holding a Father’s Day Stall next week on Thursday 3 September. Gifts will range from $1 to $10 so remember to send your child/children along with some money securely sealed in an envelope with their name and class on this day to ensure all our dads have a wonderful Father’s Day.

MARSDEN PARK CAMPUS - LAUNCH EVENTS
Our Marsden Park Campus is almost ready for its first visitors. Launch Events will be held at 4:30pm on Wednesday 9 September and at 9:00am on Saturday 12 September. Parents with students attending Marsden Park in 2016 are warmly invited to attend. If you know of family or friends who may be considering Marsden Park Campus, be sure to let them know of these exciting Events.

WAKAKIRRI
The Wakakirri dance team are all very excited to be performing their dance story at the Riverside Theatre this Thursday 27 August at 7:15pm. I am sure they will thoroughly enjoy presenting their item after 12 weeks of busy preparation and enjoy this amazing opportunity to participate in the Creative Arts.

YEAR 4 PYJAMARAMA
Next Friday 4 September-Saturday 5 September marks a highlight in the Year 4 calendar as students enjoy a sleepover at School for the Year 4 Pyjamarama. Students should already be busily planning what ‘slippers’ they will wear for this super fun evening.

NAPLAN results for 2015 were sent home yesterday. Please check your child’s bag if you have not yet received them. The results will be analysed by the Executive Staff. If you have any concerns feel free to make an appointment, through the Office, with your child/ren’s teacher.

Karen McLeod
Primary Coordinator

Kindergarten & Year 9 LEARNING CELEBRATIONS

As part of RJ Learning Celebrations, Kindergarten went and visited Miss Johnston’s Year 9 Digital Media class. We used photos of ourselves to add masks, colours and costumes to, so we could become a new character! We loved being minions and different superheroes!
We had a great time using the computer and having Year 9 teach us lots of new things.
A big thank you to Miss Johnston and her students for organising such a wonderful learning experience!

Kindergarten Teachers
Kindergarten were very excited to meet sheep, goats, cows, pigs, chickens and some very cute rabbits when Kindi Farm came to visit RJ. We loved feeding the animals and having them eat food out of our hands. We learnt lots about where our food comes from and how they meet some of our needs.

Michelle Beckman
Kindergarten Class Teacher
ENROLLING FOR 2016,

CATCH A GLIMPSE
Launch of New Marsden Park Campus

WEDNESDAY 9 SEPTEMBER 4:30 – 6:30PM
SATURDAY 12 SEPTEMBER 9:00 – 11:00AM

FREE Sausage Sizzle, Tea & Coffee, Information Bags & Children’s Activities.

Bring the whole family. See the new classrooms & facilities.

Meet the Principal & Staff and talk with current families. Be greeted by present students. Hear about the Masterplan & ask questions about our School.

Be part of this exciting new development, together we’ll grow Marsden Park.
Starting with Pre-Kindergarten to Year 2 classes, progressing through to Year 12.

RSVP by Tuesday 8 September Ph: 02 9677 2455 E: admin@rjas.nsw.edu.au

Richard Johnson Anglican School seeks to provide a dynamic, caring Christian educational community, founded on the lordship of Jesus Christ, to foster learning excellence.
A Junior and Senior RJAS Boys Soccer Team headed off to Mamre Anglican School to compete in the Metro Cup Nepean Qualifier Event on Tuesday 4 August. The Junior Team played against Mamre and Wycliffe Christian School, winning one of their two games to qualify for the CSSA State Metro Cup. The Junior Team plays on a small field with 9 players. The Junior Team appreciated the help of Kieran and Ronesh. The Senior Team played three games against Mamre, Nepean Christian School and Wycliffe Christian School. All games were strongly contested, with the Senior Team able to win 2 of their 3 games to also qualify. The Senior Team also played at the CSSA State Metro Cup on Monday 17 August. Coming up against strong opposition at the State Metro Cup our Junior and Senior Teams battled throughout their group matches. Unfortunately, neither team was able to secure enough victories to progress to the quarter finals. The Senior Team was extremely close, on all three occasions going down 1-0.

On Monday 10 August, Mr Mitchell took a Years 5/6 Boys Team to the CIS Rugby League 7s Gala Day. After many competitive matches throughout the day, including a few close wins, against teams from around NSW, the boys unfortunately didn’t qualify for the Final. Congratulations on a terrific effort!

Based on results from the School Athletics Carnival in Term 2, 47 Primary students qualified to represent RJAS at the recent Nepean Zone Athletics Carnival. We had many students competing in multiple events and it was terrific to see some of our younger students compete for the first time at a Zone level. Due to strong individual and relay results, 20 competitors qualified for the next level, the CSSA State Athletics Carnival held at Blacktown.

It was a glorious day at Blacktown for the CSSA State Athletics Carnival. Our competitors did well in all their individual and team events. Particular mention goes to the Junior Girls Relay Team who, with a time of 1:04.16 finished a very creditable 4th overall in the relay event. The girls, Mia Friesendorff, Nikoll Francisco, Amy Watson and Chelsea Osabuohien, should be extremely proud of that result. In individual results, our best competitor this year was Ethan Kerek who collected two 4th place results, two 3rd place results and one 2nd place result. Ethan will progress to the CIS Athletics Carnival in a few weeks. Ethan did so well in all his events that he also earned the 11 Years Boys Age Champion Trophy. Well done Ethan!

This team will compete in the State Gala Day coming soon. WSCS Winter Competition is now finished for 2015. Thank you to all the parents and students who came along each Friday afternoon and enjoyed the weather, the atmosphere and the camaraderie between teams and schools. We look forward to building this competition up even further in 2016.

If you have any enquiries or questions about Primary Sport in 2015, please feel free to email me directly: lcowling@rjas.nsw.edu.au.

Lachlan Cowling
Primary Sports Co-ordinator

Mock Trial COMPETITION

Our students had an excellent first year in Mock Trial competition. There are four rounds of which we went up against Rooty Hill High School, Rouse Hill High School and Terra Sancta College. We never lost a trial and always had the independent judge to rule in our favour. Unfortunately, we did not progress to the final round due to a forfeit on one occasion.

The students gained an excellent insight into the legal profession and cultivated skills such as public speaking, quick thinking and developing an argument. Teachers from every school we participated against said they appreciated RJ students’ friendly behaviour and how we conducted ourselves. Mock Trial teams can be made up of Y10 or Y11 students, so with a strong Year 10 team this year, we could do even better in 2016.

Nathan Jones
Secondary Co-ordinator HSIE
A Look at RJ HISTORY

2006 saw another milestone - ten years of schooling at RJAS. This was all the more significant since 2006 marked the inauguration of Stage 6 with its first Year 11 students moving onto Year 12 in Term 4 of that year.

A small group of students embarked on the first Mission Trip to the Northern Territory, a joint venture with Arndell Anglican College. Multicultural Day was held for the first time. The Day included food stalls, art activities and dance and music performances, a forerunner of what we know as the Heritage Festival.

Block H officially opened in August. This marked a huge change in Primary operations with the addition of not just classrooms, but a computer room, a new library and learning support areas. Mr Adam Bunsell, Mrs Carolyn Forrester and Mrs Michelle Arundel joined the staff.

Was this Ralph, the Reading Dog’s first appearance?

Primary Library

Some familiar faces hit the Wild West.

Uniform prototypes for the new Senior Years.

P&F Association
FATHER’S DAY STALL

It’s that time of year when we wish dad, grandpa or that special man in our children’s lives ‘Happy Father’s Day’. On Thursday 3 September, the P&F Assoc. will be holding our annual stall with gifts ranging in price from $1 to $10. Each Primary class will visit the Stall to make their purchases throughout the morning. Please seal money in a clearly marked envelope. Secondary students are welcome to make a purchase during their lunch time.

Thank you for supporting the P&F Assoc. Father’s Day Stall by giving your children money to buy a special gift. God has given our children beautiful smiles and our wonderful parent volunteers are given the opportunity to see them, when they have found their perfect gift.

Jo Mansell
Father’s Day Stall Co-ordinator
Prayer Points

- Praise – for God’s provision for our new Campus at Marsden Park and new families that have enrolled.
- Praise – for the experience that Primary students will gain as they participate in a Wakakirri performance.
- Prayer – for our Year 12 students as they review results from their Trial Exams and finalise their studies over the coming weeks, that they may use their time effectively.
- Prayer – for the North West Mission Team as they plan and prepare for their mission in October to Wee Waa, Narrabri and Moree.

PLEASE BOOK THESE DATES:

27 August 7pm
Primary Wakakirri Performance

3 September
Year 7 Immunisation Clinic

4 - 5 September
Year 4 Pyjamarama

9 & 12 September
Launch Events
Marsden Park Campus

UPDATE YOUR CONTACT DETAILS

Have you changed your mobile number?
Do you no longer have a landline?
Have you changed jobs or email address?

If this applies to you, it is important to contact the School to advise us. It is a requirement that the School is able to contact you!

Families should also nominate 2 names and mobiles (Grandparents, friends, neighbours) to be listed as Emergency Contacts for their child/ren. Email updates or changes to: admin@rfjas.nsw.edu.au or log in to the Parent Portal to update your details.
